## Open Banking in Ireland

## What's new?

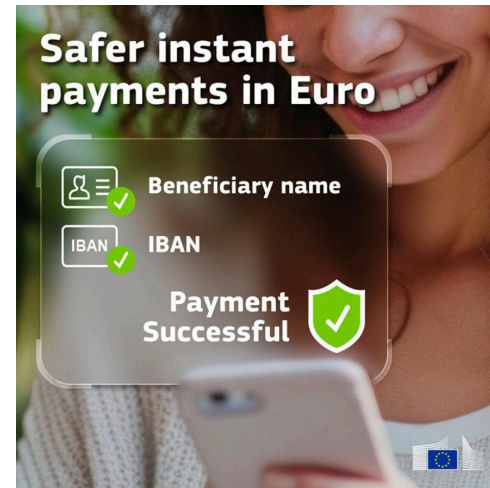

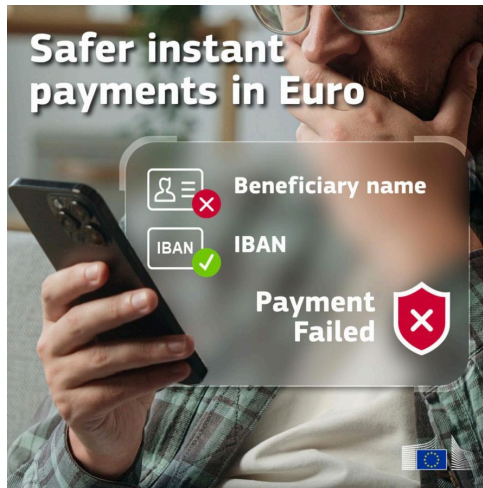

### EU Faster Payments Directive

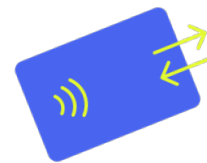

From 9 October 2025, thanks to new EU rules on instant payments, people and businesses can transfer money in euro within seconds. They can do so any time – day or night – weekdays or weekends, and in every country in the eurozone.

## What's new?

### Ireland's National Payment Strategy

The goal of Ireland's National Payments Strategy is to 'enhance and build public trust in and the effectiveness of the payments system', based on four interlocking principles:
